

WCM CIRCLE

... FOR OUR CONTINUOUS IMPROVEMENT

**BETTER  
FASTER  
MORE COST EFFICIENT  
ALL TOGETHER**

**Benchmark and networking are powerful tools to strive for world class excellence.**

**With our WCM-circle we have created a forum of world market leaders in different areas of mechanical engineering in order to make our organisations more competitive to manage the future. In an atmosphere of trust and confidence we share experience, show best practices and discuss future challenges.**
